

Bluewater Elementary School

School Supply List

2017-2018

Pre-Kindergarten- PreKD

Backpack large enough to hold a valuable piece of their art work approximately 9"x 11" and a notebook. If your child brings his lunch keep in mind they are expected to carry both their lunch box and backpack to the classroom. The teachers are holding hands to insure the safety of children. Help is provided to those who need it, but we consistently work on becoming more independent.

WIRELESS composition notebook used for parent teacher communication. Please use this notebook to let me know what is going on with your child. For example, did they go to bed late, did they eat as they usually do, are they acting like they may be getting sick, are you planning a trip or anything you would like to share.

I will use this to communicate with you about things that are specific to your child.

*If you want to continue using the one you used last year, please do so!

1 package of 3 white t-shirts that will fit your child this year. The children will be painting shirts during 3 different units this year.

1 package diaper wipes-These are used for art project clean ups as well as other clean ups.

1 package Ziploc bags (gallon—boys; quarts-- girls)

1 box soft tissue

1 refill bottle of hand soap (*We prefer to use soap rather than hand sanitizer due to possible medical issues.*)

1 large size container of Bubbles

1 package Velcro or magnetic tape (This is used in making materials to encourage communication and/or games.)

1 roll clear packing tape (This is used in making materials to encourage communication and/or games.)

This set of clothing will be left at school in their individual cubbies to have in case of accidents such as spills, toileting accidents, etc. *Whenever articles of clothing are sent home they need to be replaced the next day.* The dirty clothes in your child's back pack serves as a visual reminder to put the clean clothes they may need in their backpack right then.

1 package re-sealable pull-ups if your child is pulling up their pants or working on this skill and is not using the toilet independently.

Wipes if your child is not potty trained...PLEASE RESEND THESE PERIODICALLY
