

HOW TO: Connect BYOD Apple to OCSD Network

1. Login to the device
2. Click the Wi-Fi Icon near the time.

3. Select BYOD.

4. Enter your **One Okaloosa ID** and **password**.

5. Click Join.
You may be prompted to accept a security certificate. If so, tap Accept.

6. Once connected, open your web browser and go to:
<https://www.okaloosaschools.com/depts/tech/internet-access>
7. Click the Firewall Certificate Download link
This should download a certificate on your device
8. Install the certificate on your device

9. You may receive a warning about the being unable to verify the authenticity of the certificate, this is expected, Click Install
10. Your device should be able to access the internet at this point.
