Okaloosa Online Virtual School

**The Okaloosa Online Virtual School
has been created to broaden curriculum
offerings for middle school
and high school students,
provide coursework offerings for nontraditional
students, and generate flexibility in scheduling.**

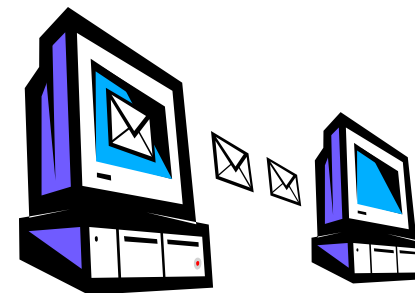

**Okaloosa Online is an educational opportunity
that provides the following:**

- ◆ Flexibility regarding time and location
- ◆ Opportunities to complete credit requirements for a high school diploma
- ◆ An exciting way to learn
- ◆ Advanced courses beyond the standard curriculum offering

Additional Information

Courses are coordinated with the Florida Virtual School and are free of charge to Okaloosa County area students. All virtual courses meet the requirements of the State of Florida

Students must have access to e-mail address and access to the Internet to enroll

Visit our website at
