Dear Bluewater Families,

Thank you for your generous support and encouragement as we start a new school year. Please take time to review this document and review the student planner handbook for grades 2-5. This handbook contains important information about Bluewater policies as well as Okaloosa County district policies that we follow. It is our responsibility to keep our students safe, help them become responsible citizens, and teach them to respect those around them. We believe that keeping an open line of communication between the school and home is a vital part of your school experience. As we move forward together, below you will find a few priorities to help Bluewater be the best school it can be.

**SAFETY-** WE LOVE VISITORS but we have scheduled times and procedures in place to be sure everyone on campus is SAFE!!! ALL VISITORS MUST CHECK-IN IN THE FRONT OFFICE TO RECEIVE A VISITORS PASS. You will need a driver's license each time you check out your student or print a visitor's pass. Our School Check-in system must be able to scan the bar code on the back of your state issued license. **All visitors must wear a yellow visitor sticker at all times.** We know bad guys don't obtain passes, so those without yellow visitors' stickers will be reported to our School Resource Officer, Deputy Self. Please be sure that students arrive on time between 8:35-8:50. Students who arrive earlier than this will not have the supervision we strive to provide pursuant with School Board Policy 4-27. **\*\*For everyone's safety, please turn off cell phones when on the car rider ramp. No texting and driving on campus.** Due to PE and recess being conducted in the car rider area, the afternoon car rider ramp will open at 3:05 PM.

**LUNCH VISITS-** Lunchtime visitation will begin after Labor Day. This allows us time to establish lunchtime routines, safety procedures, and expectations. After Labor Day, lunch time visitation will be on Mondays and Fridays.

**SUPPORT-** Thank you for the continued support that you provide our school, teachers, and staff members. We are able to do so much more because of our wonderful parent support system. Monies, generated through our PTO, fund classroom supplies and special events throughout our school.

We love supporting our students and we want them to obtain high levels of academic achievement. If you have any concerns or would like to speak to your child's teacher, please email them or call 833-4240 to leave a message in the office. Your child's teacher will be happy to schedule an appropriate time to conference with you. Morning drop off is not a time for parent conferences. Teachers must supervise students at all times.

If you're dropping off a forgotten item or a tardy student, please bring them to the front office window. We will be sure to get your item to its destination.

Thank you again for all that you do to make Bluewater the wonderful school that it is!

#### **A: ELEMENTARY SCHOOL (K-5) ATTENDANCE**

**Okaloosa County Pupil Progression Plan link below:**

<https://www.okaloosaschools.com/files/site/district/ppp/ppp-es-2018.pdf>

From page 17: "Patterns of nonattendance and truancy are identified as early warning signs of academic failure. Students with chronic absenteeism, are found to have the lowest academic achievement which puts them at greater risk for dropping out of school."

Bluewater believes that regular attendance provides students the opportunity to master required skills at each grade level. Many integral activities, including class discussions, group experiences, field trips, guest speakers, and direct instruction, cannot be simulated or replicated with makeup work. When you miss school, you miss out.

**A. ABSENCES DEFINED** p. 18 of Pupil Progression Plan (see link above)

Excused absences are absences resulting from the following:

- Death in the family or any other bona fide family emergency;
- Illness or injury **requiring** medical or dental attention (physician's statement required);
- Illness, injury, or circumstances **not requiring** medical attention will require a parent note explaining the absences, up to 9 absences per semester;
- Appointments for medical or dental care (physician's statement required);
- Religious holidays- Pupils are permitted to be absent in observance of established religious holidays, but they must be counted absent on all school records. Absences of a religious nature, preceded by prior parent notice, will not require written notification on the student's return to school. Religious holidays considered excused absences may include Good Friday, Yom Kippur, Passover, Rosh Hashanah, and Hanukkah (Review Board policy). Students may be excused for other religious holidays if a parent makes a request in writing five (5) days prior to the absence.

**Unexcused Absences are absences resulting from:**

- An absence not designated as excused
- Unverified absence (Notes should be received within 5 days of the absence)
- Truancy, Suspension or Expulsion
- Participation in private lessons, activities, or classes sponsored by outside agencies

#### **B. REPORTING AN ABSENCE**

Students will have five (5) school days, including the day they return, to bring in written verification for an excused absence. The absence will be considered unexcused if the school does not receive written verification for the excused absence within that time frame.

**C. ATTENDANCE NOTIFICATION PROCEDURE** p. 19 of Pupil Progression Plan (see link above)

**Parents will be notified:**

- **After the 3<sup>rd</sup> unexcused absence or absences for which the reasons are unknown.**
- **After the 5<sup>th</sup> but before the 8<sup>th</sup> absence (excused or unexcused) per semester.**
- **After the 9<sup>th</sup> absence (excused or unexcused) per semester. After the 9<sup>th</sup> absence all absences must be documented with a doctor's excuse or an excuse from a legal agency.**

**After the 15<sup>th</sup> absence, no makeup work will be allowed until the case has been reviewed. An Attendance Committee meeting will be scheduled with the parents.**

#### D. MAKE-UP WORK (ALL LEVELS)

Students will be provided 5 school days to complete assignments following an **excused** absence; the 5-day period begins the day the student returns to school. However, the teacher and/or principal may grant additional time for the make-up work if the individual situation warrants that action.

For more information regarding make-up work, please see the Pupil Progression Plan p. 19.

#### E. TARDINESS/EARLY CHECKOUT

We will track excessive early checkouts. Please remember, due to our new safety procedures, **checkouts will end at 2:50 daily**. The parents or legal guardian will be notified when a student accumulates five (5) unexcused early checkouts and/or late arrivals within a semester. When the number of early checkouts and/or late arrivals reaches seven (7) within a semester, the parents will be requested in writing to have a conference with the principal or his/her designee.

#### F. TRUANCY PROCEDURES (FL statutes: **984.03 F.S., 984.151 F.S., 1003.26 F.S.**)

**The Superintendent may file a truancy petition for the following situations:**

- **Five (5) unexcused absences, or absences for which the reasons are unknown, within a calendar month, or:**
  1. *After the fifth (5th) unexcused absence in a calendar month, the student's primary teacher shall report to the school principal or his or her designee that the student may be exhibiting a pattern of nonattendance. If appropriate, the principal shall refer the case to the MTSS committee. If the MTSS committee finds that a pattern of nonattendance is developing, whether the absences are unexcused or not, a meeting with the parents or legal guardian must be scheduled to identify potential remedies. Also, the school should send out a *School Truancy Letter* to either inform the parent(s) or guardian(s) of the situation or to schedule an MTSS committee meeting with the parent(s) or guardian(s)..*
- **Ten (10) unexcused absences, or absences for which the reasons are unknown within a ninety (90) calendar day period or:**
  2. *After the ninth (9th) unexcused absence in a 90-calendar-day period, the student's primary teacher shall report to the school principal or his or her designee that the student may be exhibiting a pattern of nonattendance. If appropriate, the principal shall refer the case to the MTSS committee. If the MTSS committee finds that a pattern of nonattendance is developing, whether the absences are unexcused or not, a meeting with the parent must be scheduled to identify potential remedies. A letter should be mailed to the student's home or delivered by an attendance officer, informing the parents of the MTSS committee meeting and their need to attend.*
- **More than fifteen (15) unexcused absences in a ninety (90) calendar day period.**

For a complete listing of truancy procedures, please see the Pupil Progression Plan page 20.

#### **B. BICYCLE AND SCOOTERS**

All students who ride bicycles or scooters to and from school should always park and lock their bicycles/scooters in the racks located in the front and back of the school. **Florida law requires that all students wear an appropriate bicycle helmet.** The School **is not** responsible for bicycles or scooters left on campus, especially after hours.

#### **BREAKFAST/LUNCH**

We offer a breakfast program each morning. Our **breakfast** serving time will be **8:15 a.m. – 8:45 a.m.** It is important we follow this schedule to allow students to be in their classrooms on time. The tardy bell rings at 8:50 AM. Those arriving after 8:50, will be marked tardy. Lunches can be paid by check or

cash. Also, lunches can be prepaid by depositing money in your child's account on the school district or school website using a credit card for payment. The cafeteria management appreciates your cooperation. Please stop by if you have any questions or need to review your child's account status. Students cannot carry a negative account balance.

## **BULLYING AND HARASSMENT POLICY**

Threats of any kind will not be tolerated and are subject to disciplinary action per the Code of Student Conduct.
- (4) Consequences and appropriate interventions for students who commit acts of bullying may range from positive behavioral interventions up to and including suspension or expulsion, as outlined in the Code of Student Conduct, School Board Policy 4-32 and this policy.

**PROCEDURE FOR REPORTING an act of bullying or harassment:** Please contact the Principal, Mrs. Klugh; Assistant Principal, Mrs. Geering, or Guidance Counselor, Pat Licursi to begin a Bullying Investigation.

- (1) At each school, the principal or the principal's designee is responsible for receiving complaints alleging violations of this policy. All school employees are required to report alleged violations of this policy to the principal or the principal's designee. All other members of the school community, including students, parents/legal guardians, volunteers, and visitors are encouraged to report any act that may be a violation of this policy anonymously or in-person to the principal or principal's designee.
- (2) The principal or designee shall promptly report via telephone, personal conference, and/or in writing, the occurrence of any incident of bullying or harassment as defined by policy to the parent or legal guardian of all students involved on the same day that this investigation of the incident(s) has been initiated. Notification must be consistent with the student privacy rights under the applicable provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA).

**C. CAMPUS TRAFFIC**

It is essential that all persons who drive on our campus drive carefully and with great caution (5 mph). They should understand that the children often do the unexpected. If you are parking, please park in designated areas only. (**Do Not** park in grassy areas-you may damage sprinklers.) Model your behavior to represent a high regard for public property and safety.

**\*\*\*SHERIFF'S OFFICE REQUEST\*\*\***

The Sheriff's Office and Bluewater Elementary School personnel have been working together to address the issue of traffic. We need cooperation from everyone when dropping off or picking up students at the school. Along with following the traffic flow pattern, we also need all drivers to remember a few items of concern. Following these guidelines will ensure the safety of our students and aid the crossing guards with directing traffic:

- 1. **Please be patient**
- 2. **No texting and driving on the car rider ramp.**
- 3. **Please don't park any vehicles on Range Road (either side) near the school.**
- 4. **Don't drop off or pick up students on Range Road or in front of the school.**
- 5. **Please use your turn signals!**
- 6. Pay careful attention to the School Zone warning lights, the crossing guards and the speed limit.

7. **Please arrive at designated times to the car rider ramp to prevent cars from backing up onto Range Road. Those blocking the traffic on Range Road may be ticketed.**
8. **No texting and driving on the car rider ramp.**
9. **Maintain safe speeds on the car rider ramp as pedestrians are crossing campus.**

### **CELEBRATIONS/Birthdays**

All parties, celebrations and other such events are **coordinated and managed** by the classroom teacher. Please contact the classroom teacher regarding any such planned activities. Parents who do not wish for their child to participate in these activities should notify the teacher early in the year. "Ballooning" and "costuming" are not permitted. **In order for party invitations to be passed out at school, each child in the class must receive an invitation.** For the safety of the students with allergies, **there will be no sharing of food or passing out food in the lunchroom. Due to food allergies and the necessity to comply with all health inspections, food must be store bought. We can't SERVE homemade goodies.**

### **CHECK-OUT/PICK-UP**

If possible, please inform your child and your child's teacher if your student will be checked out early. This assists us in expediting your child's departure. **Students will not be able to leave school unless they have first been checked out through the Front Office.** Students can be checked out from school during the school day by a parent/guardian in the school office. **The office personnel will call the student to the office. Parents will pick them up from the office once parent identification has been verified.** The School "Check in/Check out" computer requires Parent/Guardian to show driver's license in order to check the student out. **Our county safety policy requires all check outs to be completed by 2:50 PM. Late check outs impact our ability to begin dismissal on time and accurately.** Parents arriving after 2:50 PM will have to wait until dismissal begins to pick up their child. Also, keep in mind that the gate to the front parking lot is closed at 2:30 PM. You may need to allow additional time for check outs before 2:50. Students may be checked out only by those on their emergency contact information card (Nurse's card).

**\*\*\* For the safety of your student, every effort should be made to maintain a consistent mode of afternoon transportation/destination. \*\*\***

If a student is to go home with a friend, to a sitter, or to any place other than the usual afternoon plan, the student must bring a note, signed by the parent with the date, child's name, address, phone number of the destination where the child will be going. **The student will bring the note to the office for approval. All bus changes require approval and a special bus pass.**

**School District Policy does not allow for a change in a student's regular dismissal plan to be accepted by office staff over the telephone.** Parents can contact that school office staff before 2:30 p.m. by email (BESTransport@okaloosaschools.com) or fax. It is the parent's responsibility to call the school to verify that we have received the change in dismissal plans.

**[BESTransport@okaloosaschools.com](mailto:BESTransport@okaloosaschools.com)**

**Children that walk home or are picked up in a car will be taken to the office if they are not picked up on time. Those students that are not picked up by 3:45 p.m. will be taken to Daycare and subject to the daily drop-in fee.**

**BLUEWATER ELEMENTARY CHILD CARE PROGRAM**

The Bluewater Elementary School Child Care Program is a before and after school program provided for students registered at Bluewater Elementary School. The purpose of the program is to provide a safe nurturing environment for those students who are required to spend an extended part of their day away from home. This program follows School Board policy 4-34. The program is self-sustaining, and contributions which exceed our operating expenses will be used to enhance the total Bluewater Elementary School Program.

The Summer Camp offers a variety of exciting activities to enhance the students' summer months. Daily activities include, multiple centers, video game stations, large and small game tables (ping pong, foosball, billiard and air hockey etc.) In house field trips include Emerald Coast Science Center, Spacewalk Inflatables and waterslides. There are also weekly out of house field trips, such as, Grand Blvd. Motion Pictures, US Gold Gymnastics, Hurricane Lanes Bowling, Fort Walton Beach Skating, and much, much more!! Summer camp will begin June 14, 2021.

### CLINIC

The purpose of the School Clinic is to provide care for a student who becomes ill or injured at school and for dispensing of medicines. Pediatric Services Association provides a school Health Technician. Due to our generous parent support and fund generated by our child care, Bluewater Elementary School is fortunate to have an LPN in lieu of a Health Technician. If the LPM is absent, the front office staff or a substitute Technician will serve in her capacity. There are no facilities available to keep sick children for an extended period of time. Parents will be called to pick up their sick child.

Children with communicable diseases or Covid symptoms will be sent home and should have a doctor's certificate or certificate of clear health from the health department to re-enter (State Health Laws). Students should not be sent to school with a fever, nausea, or vomiting. Student may return to school subject to Covid protocol by nurse.

**Telephone numbers** to call in case a child gets sick or injured while at school are **imperative**. If parents plan on being out of town or can't be easily reached, it is advised to leave a Power of Attorney with a reliable contact person and also provide a copy of to the school Health Technician. In case of serious accidents, an emergency vehicle will be called to transport the injured child to the nearest clinic or hospital.

**If your child has any type of medical problem, please alert us as soon as possible as it will help us to better care for your child. Any allergies, diabetes, seizures, etc. should be brought to our attention.**

Nurse donations are accepted to support Bluewater Elementary School having a LPN on staff.

### CONFERENCES

If, at any time, you would like to have a Zoom conference with the teacher or principal, please call the office and make an appointment. We also have the services of a guidance counselor should

there be a need. Conferences to be held after school will be scheduled Monday through Thursday. The progression of conferences should begin with the classroom teacher. There may be times during the school year when the teacher or principal will request a conference with the parents. There will be designated times and dates the classroom teacher will have conferences during the school day for the convenience of our parents. Tuesday mornings are reserved for faculty meetings.

### **DISMISSAL (See also Check-out/Pick-up)**

If students are picked up often, parents should explain and practice with their students where to look for them. This will avoid confusion for the student at dismissal time. Arrangements should be made **before** the student leaves for school in the morning if they are to go home differently. (Send a note) Parents arriving after 2:50 PM will have to wait until dismissal begins to pick up their child. Also, keep in mind that the gate to the front parking lot is closed at 2:30 PM. You may need to allow additional time for check outs before 2:50. Students may be checked out only by those on their emergency contact information card (Nurse's card).

**\*\*\*For the safety of your student, every effort should be made to maintain a consistent mode of afternoon transportation/destination.\*\*\***

**School District Policy does not allow for a change in a student's regular dismissal plan to be accepted by office staff over the telephone.** Parents can contact the school office staff before 2:30 p.m. by email or fax. It is the parent's responsibility to call the school to verify that we have received the change in dismissal plans. [BETransport@okaloosaschools.com](mailto:BETransport@okaloosaschools.com)

If you do not receive confirmation you should call the office at 850-833-4240.

### **D. DISCIPLINE EXPECTATIONS**

If the educational process is to be successful, there must be close communication between parents and school staff in every aspect of the learning process. **Parents are successful** when they communicate academic and disciplinary expectations to their children and monitor those expectations in a consistent manner at home. **Schools are successful** in the learning process when they communicate academic and disciplinary expectations to the students and maintain that expectation in a consistent manner at school. **When we work together as a team with open, supportive communication about academic and disciplinary expectations, students AND teachers are more successful in helping students achieve learning gains.**

Under no circumstances will rude, defiant behavior be tolerated. Disruptive behavior even by one student interferes with the learning process in the classroom; therefore, we have guidelines regarding misbehavior in the school setting.

Discipline reports are maintained by each teacher to report inappropriate behavior if needed. We will follow the Code of Student Conduct (available at [www.okaloosaschools.com](http://www.okaloosaschools.com))

## **Bluewater School-wide Behavior Expectations**

Bluewater's Behavior Expectations revolve around the core principles of safety, responsibility, and respectfulness. The following are Codes of Conduct which every student will be responsible for

knowing and following each day. A number, from the list below, means your child violated that school-wide expectation. Please review the planner daily. By signing your child's planner, you are indicating that you are aware of your child's behavior and that you have discussed it with them.

**Excessive codes could result in a decreased conduct grade on your child's report card.**

### **Be Safe**

1. Keep your hands and feet to yourself. (No hands on others, hitting, or pushing)
2. Walk in the classroom and halls.
3. Sit in appropriate areas of the cafeteria. (Tables with allergy designation are for the safety of our students with food allergies.)
4. Use classroom, PE, and recess equipment appropriately.

### **Be Responsible**

5. Demonstrates positive work habits by staying on task.
6. Record assignments in your planner and have it signed daily.
7. Complete and return all assignments by the due date.

### **Be Respectful**

8. Obey directions/instructions given by **ALL** school personnel.
9. Raise your hand to speak.
10. Maintain a positive attitude, self-control, and self-discipline.
11. Show your teacher respect.
12. Show your classmates respect by using kind words and being helpful.
13. Show respect for your own property, as well as the property of others.
14. Obey lunchroom rules. Respect the lunchroom monitors. (Do not share food due to allergies.)

We believe students thrive on positive recognition, praise, and self-efficacy. It is our belief that life is about choices. With those choices come logical consequences. Your child's teacher should provide a copy of his/her classroom discipline procedures. **Parents are asked to assist the school in enforcing school rules in the cafeteria.**

Should your child be sent to office with a referral, you may expect the following actions, depending on the severity of the infraction. Some infractions may result in #3 upon the first incident. All referrals will be recorded in your child's school records.

- 1) Warning & Parent phone call/contact
- 2) Loss of privilege
- 3) Time out in the office or Student Training Program (Previously known as In School Suspension)

Our goal is to align school services with county, state and federal policies incorporating Free Appropriate Public Education (FAPE) for all ESE students. - **Category 2 (Green: Standards-based Assessments/Projects = 70% of the grade):** Assessments over increments of time to determine the progression of the mastery of the standards. In order to use the Internet, each student and their legal guardian must read the Internet Acceptable Use Policy. This policy is signed by the parent and student during registration.

## **INTERRUPTIONS**

**To help us limit exposure to our students and employees, NO VISITORS to classrooms during the first nine weeks.**

Please help us maximize time on task by minimizing interruptions. Did you know that if your child's class loses just five minutes a day that those students lose 900 minutes of instruction per year? That's equal to fifteen hours or two days of learning. So if you have a snack, lunch, forgotten glasses, or a tardy student, please bring them to the front office window. We will be sure to get them to their destination. Teachers are "on-duty" once students arrive at 8:35 and during lunch pick-up. They are expected to maintain supervision of students. If you would like to speak to your child's teacher, please email them or call 833-4240 to leave a message in the office or email them. Your child's teacher will be happy to schedule an appropriate time to conference with you.

## **L. LATE ARRIVAL OF STUDENTS**

**Students are tardy if they are not in their classrooms by 8:50 a.m. Parents must escort their child to the office, have a mandatory temperature check and sign in if they arrive after the tardy bell.** A tardy pass will be issued allowing the student to enter class. In order to minimize interruptions (as above), tardy students will be dismissed from the office to walk to class **independently**. Students should arrive at school in time to put away backpacks, turn in homework and notes, sharpen pencils and prepare for the day before the last bell rings.

If your child eats breakfast in the lunchroom, please allow them enough time to eat and get to class before the bells ring at 8:50 a.m. Breakfast is served Monday through Friday from 8:15 a.m. until 8:45 a.m.

## **LUNCH/BREAKFAST PROGRAM**

A countywide menu is planned and available on the district website. Our daily menu includes a choice of one of two entrees, fresh fruit, and other healthy choice food items, including; either fruit juice or low-fat milk. We also offer breakfast for our students. Breakfast is served Monday through Friday from 8:15 a.m. until 8:49 a.m.

## **Due to COVID-19 NO Visitors for lunch during the first nine weeks.**

Due to our large student population and lunch time changes, we have modified our student seating. Lunchtime visitation will begin after Labor Day. After Labor Day, lunchtime visits will take place on Mondays and Fridays only. Due to our 9 table rotations, parents will eat lunch with their child in designated areas. This is time with your student. You are not permitted to pull any other students to

eat with you and your child. Should you have concerns about classroom behaviors or other students, please address this with the principal, assistant principal or guidance counselor. Administration will follow the bullying/harassment guidelines as needed.

Parents and students are asked to honor the "allergy table" by not bringing nuts or potentially allergic foods items into the designated table area. The allergy table is reserved for those with allergies in order to maintain allergen-free table surfaces. **Please understand that for some of our students this is a LIFE OR DEATH matter. Therefore, we will not share food during lunch.**

The computer system in the cafeteria issues each student a cafeteria account number. With this number, students can make deposits to their individual accounts to be used for purchases of meals, extra milk or juice or other items available to them. Parents can put money in their child's breakfast or lunch account by logging onto the school district web site and using a credit card on the site.

Money for prepaid meals should be taken to the cafeteria in the morning as students arrive at school. Please place this money in an envelope with the student's name, account # and grade if there is more than one student in the family.

**PRICES ARE AS FOLLOWS:**

**Fully Paid Meals**

Student Breakfast	\$1.80
Student Lunch	\$2.70
Adult Breakfast	\$2.25
Adult Lunch	\$4.00

**Reduced Meals**

Student Breakfast	\$.30

**All Extra Milk**                      **\$ .65**

Parents are asked to use cash if purchasing their lunch from the cafeteria.

**FREE AND REDUCED PRICE SCHOOL MEALS**

**A federal program for assistance with meals for economically needy children is available.** Parents can complete an application on-line. Forms are kept in the office. Applications must be approved before the first day of school for NEW STUDENTS. All returning students must complete an updated application within 10 days of beginning of school. In the event an updated application is not received within the 10 day grace period, the student will lose their assistance and must pay for meals on the 11<sup>th</sup> day. Students with overdue, lost or damaged items will not be permitted to check out additional materials until overdue items have been returned. Parents will be notified of charges due for books that are lost or damaged.

Books will be quarantined upon return before they are re-shelved.

**MEDICATIONS (See Nurse/Clinic)**

In order for medicine to be administered at the school, parent permission and instructions must be obtained.

The parent will be required to come into the clinic to fill out the Medication Administration Form when they **hand carry** the medication to clinic. This form authorizes the school to assist in the administration of medication. The medication prescribed for the student **must come in the original container.**

The school's LPN will record each dosage given on the Individual Medication Administration Log. If your child is on daily medication and you forget to give him/her the early morning dosage you will need to come to the school and administer the medication and sign a new form giving us permission to give the next dosage at a time later than the time stated on his/her medication form. Parents' phone calls are not acceptable to change the dosage or time of dosage. Changes in the dosage or the times of medication is administered will require a physician's written permission. **The first dosage of any new medication shall not be administered during school hours** due to the possibility of an allergic reaction.

Non-prescription medication must be brought to school, by a parent, in an original unopened container and shall be labeled with the student's name.

No medication, including cough drops, or sunscreen will be administered without permission. **NO MEDICATION CAN BE FURNISHED BY THE CLINIC.** Under no circumstances are children to have any kind of medication in their possession while at school or on the school bus, including cough drops or sunscreen.

In order to honor parent information regarding their child's allergies, the parent must provide the school with proof of the allergy from a physician.

### **MILITARY COUNSELOR (MFLAC)**

Thanks to the generosity of a military grant, Bluewater maintains a full time military counselor. ## **S. SAFETY**

Students who walk, ride bicycles, or ride the bus to school must have a clear understanding of safety rules from their parents. The school will reinforce these rules for safety of our children in partnership with the home and school. Reinforcement by both parties will assure students of the importance of these rules.

## **SCHOOL ADVISORY COUNCIL (SAC)**

The School Advisory Council (SAC) consists of faculty, staff, parents, and business partners from our community. There is a School Advisory Council in each district school. Florida law requires the School Board to establish a SAC in every school. The three main objectives are:

- **To serve in an advisory capacity to the principal**
- **Help in the development of the education plan**
- **Aid in the preparation and evaluation of the School Performance Plan and Professional Development Site Plan**

The SAC meets as a group to monitor the implementation of the School Improvement Plan, which is based on 8 state goals:

1. Communities and schools collaborate to prepare child and families for children's success in school.
2. Students graduated and are prepared to enter the work force and post-secondary education.
3. Students successfully compete at the highest levels nationally and internationally and are prepared to make well-reasoned, thoughtful and healthy life-long decision.
4. Includes sequential instruction in mathematics, reading, writing, and social sciences.

5. Communities provide an environment that is drug free and protect students' health, safety, and civil rights.
6. The schools, districts, and state ensure professional teachers and staff.
7. Adult Floridians are literate and have the knowledge and skills needed to compete in a global economy and exercise the rights and responsibilities of citizenship.
8. Communities, school boards, and schools provide opportunities for involving parents and guardians as active partners in achieving school improvement and education accountability.

For additional information concerning guidelines, scheduled meetings, agendas and minutes can be found on the school's website. We invite you to be a part of SAC.

Their peers elect the members of the SAC; teachers elect teachers, educational support employees elect educational support employees and parents elect parents. The Principal is an integral part of the SAC committee. There is a minimum of 11 members. Anyone interested in being a member of SAC, please contact Mrs. Klugh. A new member vote will be held in September.

The Bluewater SAC meets every first Wednesday of the month, except for in August. The first SAC meeting of the 2019-2020 will be Wednesday, August 28, 2019 at 7:30 AM in the Media Center. All meetings are held in the Media Center beginning promptly at 7:30 a.m. in the Media Center. Meetings are subject to change depending on council vote.
