

Chromebook Information Sheet

CARE for the Chromebook

- Keep the Chromebook plugged in and the battery charged.
- Only use the power cord provided.
- Chromebooks are fragile. Do not drop them, eat or drink near them, or clean them with anything except a damp clean cloth.

How to Connect a Chromebook to the Internet

- Directions may vary depending on your home internet. Call (850) 897-2966 for assistance.
- Turn the Chromebook on.
- In the bottom-right corner of the screen, click into the area with the Wi-Fi symbol
- You'll see local Wi-Fi networks that are available.
- Select your network from the available list and enter the password.
- NOTE: If you do not currently have internet service but have requested it, you will not be able to connect until that process has been completed.

Additional help videos and instructions will be posted on our website www.okaloosaschools.com including how to use student email, and how to access your coursework.
