

Choctawhatchee High School  
Hall of Fame  
Nomination Application 2019

**Hall of Fame Day is December 13, 2019. Nominations must be received by Nov. 4, 2019**

It is an honor and a privilege to be named to the Choctawhatchee High School Hall of Fame. Please note that all nominees will be considered, but the decision of the selection committee is final. Individuals or groups selected for the Hall of Fame must have brought honor to themselves, and by doing so, have also brought honor to the school, and must have distinguished themselves in at least one of the categories below. Their moral character must be above reproach.

Inductees cannot be current employees working in the school (i.e., teacher, etc.). Inductees must attend induction ceremonies; otherwise, the committee reserves the right to withdraw the award. Posthumous awards are given, but a representative must accept, in person, the award for a deceased inductee for that person to be inducted posthumously. Five individuals are chosen for induction each year.

Nominations can be made in ONLY ONE CATEGORY. Although an individual may “fit” into more than one category, please choose the most appropriate one for selection. If the nominee is NOT selected this year, the nomination form will be kept FOR ONE ADDITIONAL YEAR for consideration. If the nominee is not inducted after the second year, a new nomination application will have to be submitted for consideration.

**Categories for induction:**

**Big Green Indian Spirit-** This individual embodies the best of what it means to be a Big Green Indian. He or she champions Choctaw and the school's spirit and traditions. Does not have to be an alum.

**Friend of Choctaw-** This is a community member or organization who contributes to the school either financially, through volunteering, and/or through promoting the school and its mission.

**Athletic Achievement-** This may be a former player, coach or team that has been exceptional in the area of athletics.

**Distinguished Alum-** This is an alum who graduated AT LEAST 20 YEARS AGO, who has distinguished himself or herself through their contributions in their work, through volunteer work, through civic commitment, being elected to public office, etc.

**Career Achievement-** This award goes to an alum who has distinguished themselves in their career, or to a former employee of the school (teacher, principal, etc.).

Submission of nomination: All nominations must reach the school by **November 4, 2019**.

Mail it!

Choctaw High School Hall of Fame Committee  
110 Racetrack Road, NW Ft. Walton Beach, FL 32547
