CHS Fall Sports Ticket Information

Seating for football and volleyball games will be limited in the 2020 season due to the recommendations of the Okaloosa County Department of Health and the most current CDC guidelines.

The first priority for seating and package ticket purchase will be given to the parents or families of the students who will be actively participating in the event. That would be the players, band members, cheerleaders, dance team members, booster donors and prior season ticket holders. There will be a small allotment offered to CHS students so that they can still participate in a socially-distanced student section.

The remaining number of seats will vary. We have partnered with our opponents from within the OCSD to give each other an allotment of seats for our games against one another. For example, when we play Niceville and Crestview here at Etheredge stadium, we will send a designated number of tickets to those schools for their parents, families and fans to purchase. When we travel to Fort Walton Beach HS, they will send to us that same number of tickets for us to sell to our parents, families and fans. For our home games against non-OCSD opponents we will offer to those schools a much smaller allotment of tickets so we can get as many Big Green Indian fans as possible into the stadium.

Football: Tickets will be sold as bulk, non-refundable package tickets for our four home games on the schedule. You must purchase the entire package of home games. There will be no **reserved areas** and seating will be on a **first-come basis**. Packaged season tickets will be sold at \$10 per ticket/\$40.00 per package. An individual can purchase up to 4 packaged season tickets. Tickets will go on sale September 1st- 3rd from 5:00 – 7:00 pm at the Home side stadium ticket booth. Simply put, when ticket sales reach the capacity of the stadium as allowed by the Department of Health, we will have **"sold out"**.

For our home games against non-OCSD opponents, we will have additional tickets available. Those tickets will be sold as presold for \$10 a ticket with a limit of four tickets per person. Ticket sales for those games will be sold during the week of each individual game at CHS.

Junior varsity football games will have normal ticket sales at the stadium gates before the games.

Volleyball: In the gymnasium, the capacity per the Okaloosa County Fire Marshall is 1200. We are being held to 25% capacity indoors, so that means we will only have occupancy for 300 fans at the game. Like football, we will first offer season packages to parents and families of the players and then sell the remaining tickets at the ticket gate in the gymnasium before the game.
