Positive Self-Talk

The way we speak to ourselves matters. Your body listens and responds to your thoughts. Sometimes a simple re-framing of our self-talk can make a huge difference in how we perceive ourselves, others and a situation. It can be the difference between being stuck, or resilience. Check out some examples of how to help your student shift to healthy self-talk!

healthy Self-Talk	
THIS	NOT THAT
✓ Whoops. I made a mistake.	✗ I'm so stupid.
✓ I like me.	✗ No one likes me.
✓ I did something bad.	✗ I'm a bad person.
✓ This is really hard, but I'm going to keep trying.	✗ I give up. I'll never be able to do this.
✓ I haven't figured it out...yet.	✗ I never get anything right.
✓ I am enough And worthy, too.	✗ I'm not good enough.

Attention:

Front Office:

As we approach the holiday season, we cannot accept homemade snacks brought in for students or classes. We appreciate your understanding and compliance during this time. Thank you.

Additionally, with COVID-19 guidelines and to minimize risk, please make sure that your student brings all necessary items to school (lunch, sports gear, homework, water bottle, etc.).
