

Pledge for Parental Involvement

I pledge to support my child's education to the best of my ability. I will have high expectations for my child to succeed in school and in life.

I will make my child's education a priority, and model positive actions and attitudes.

I will partner with my child's school to ensure I am informed and involved in all aspects of my child's education, and will be an active advocate for my child's education.

I understand that education is the key to success, and will do everything I can to nurture my child's ability to learn.
