

# HOW TO: Connect BYOD Windows to OCSD Network

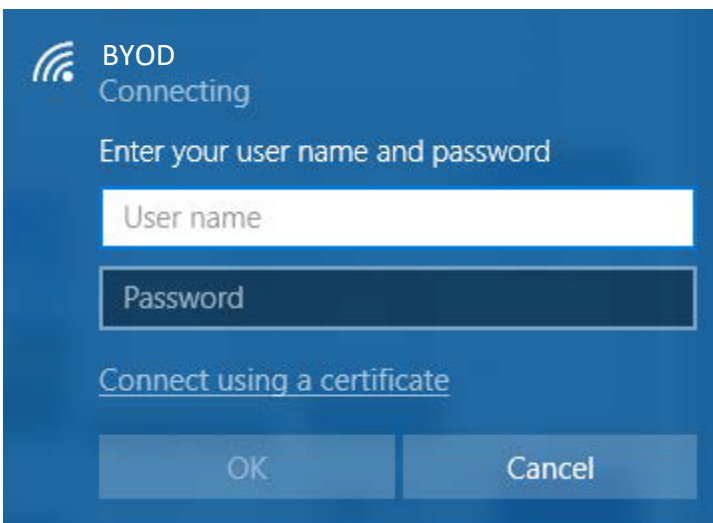

1. Login to the device
2. Click the Wi-Fi Icon near the time.

3. Select BYOD.

4. Click Connect
5. Enter your One Okaloosa ID and password then click "OK"

6. Once connected, if you have not installed the Firewall Certificate already, Open your web browser and go to:

<https://www.okaloosaschools.com/depts/tech/internet-access>

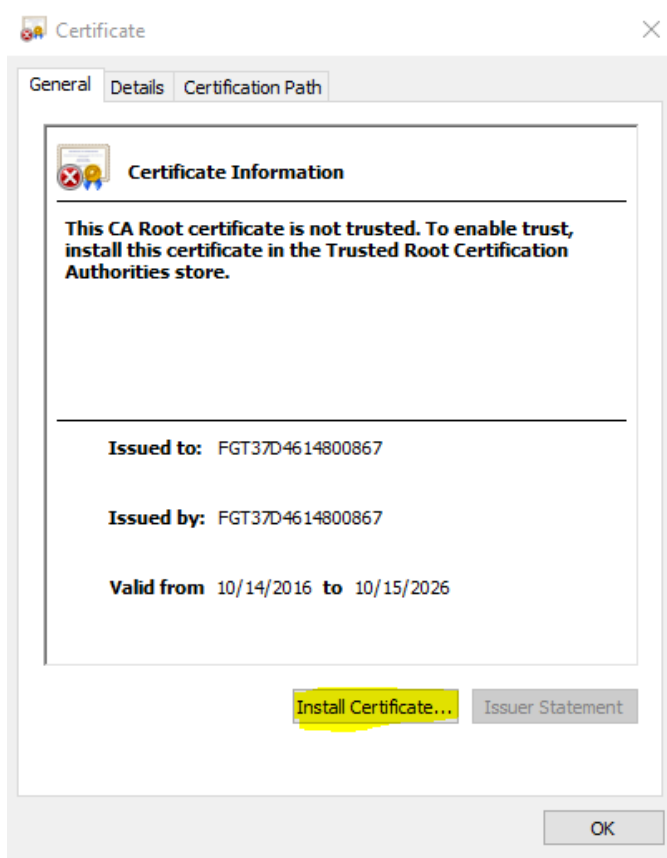

Click the "Firewall Certificate Download" link

This should download a certificate on your device

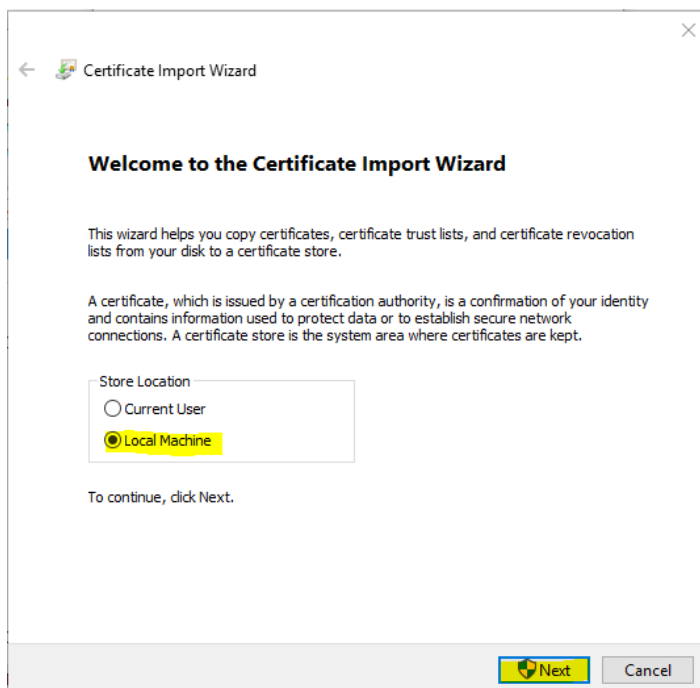

7. Double-Click the certificate file

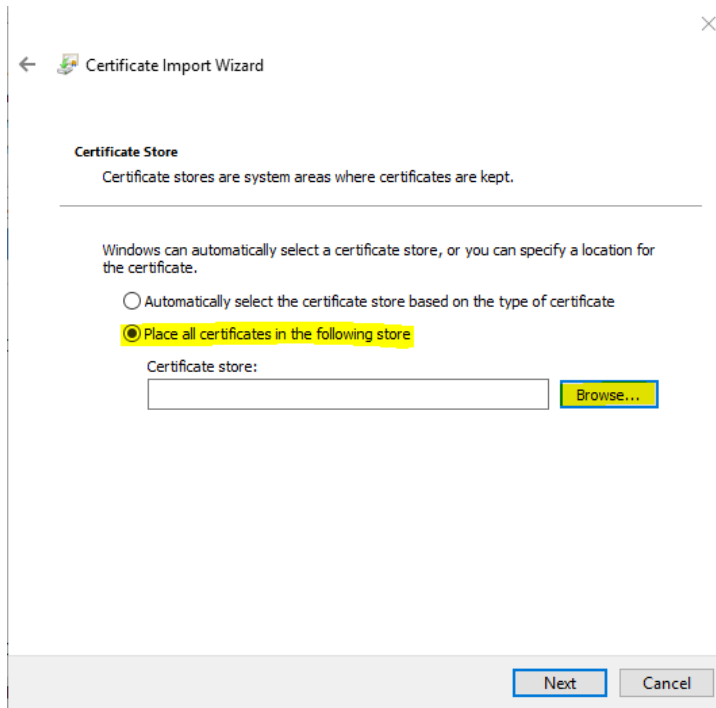

8. Click Install Certificate

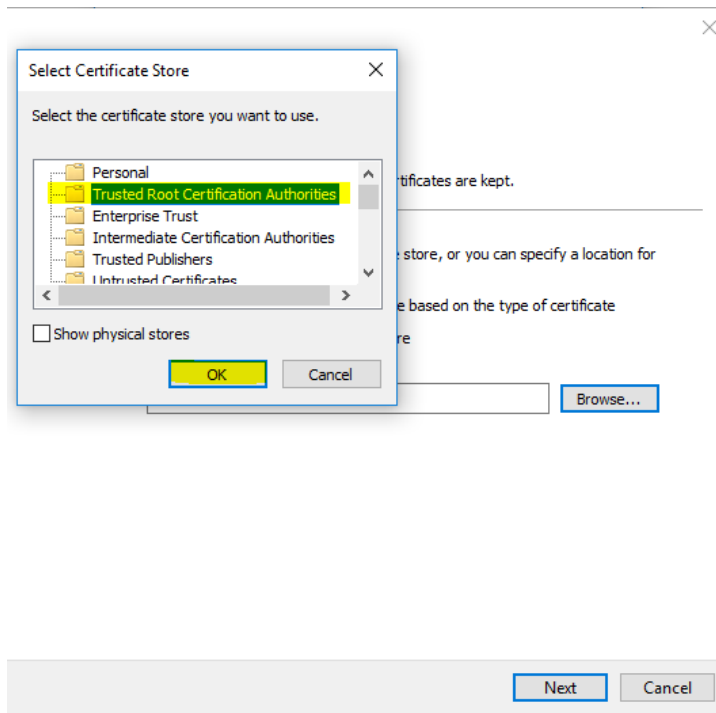

9. Select "Local Machine" and click "Next"

10. Select "Place all certificates....." and click "Browse"

11. Highlight "Trusted Root Certificate Authorities" and Click "OK"

12. Click "Next"

13. Click "Finish"

14. Your device should be able to access the internet at this point.
