OTHER INFORMATION

State food service guidelines require the student to be present in order for meals to be distributed.

When a parent arrives at a meal site, they will be able to receive up to two meals for the day for each student they bring to the site (breakfast and lunch).

Students may pick up meals for themselves without a parent present.

The District will notify parents if meal sites are added the week of March 23rd.

The health and safety of our students is our highest priority.
