

## Destin ES Students Recognized for Achieve3000 Performance

One of Destin Elementary School's 4th Grade classes, Diane Kelly/Jannine Garner's class, recently received national recognition as a Read to Succeed National Winner for their consistent success on the Achieve3000.

Achieve3000 is a computer-based literacy program where the students read informational articles on their appropriate reading level and answer comprehension questions. Students are expected to complete at least two activities per week with a score of 75% or higher.

Garner's 4th grade ELA students from Kelly's homeroom completed more lessons and earned more points on average per student from November 2 - December 4 in order to win this national recognition.

For more information on this program, visit [Achieve3000.com](http://Achieve3000.com).
