Plew Elementary School Celebrates 50th Anniversary

James E. Plew Elementary celebrated its 50th anniversary on Thursday, March 29, 2018. Did you know that when Plew was built in 1968 it had 14 classrooms, 22 teachers and 555 students? Today in 2018, Plew has 42 classrooms, 48 teachers and 802 students.

Guests included former and current teachers, staff and students. Tours of the campus to include our newest office addition were provided by students with stops to review yearbooks and memorabilia, to partake of refreshments, and to listen to NHS band students /former Plew students perform their music.

A great time was had by all.
