## COVID-19 UPDATE OKALOOSA COUNTY SCHOOL DISTRICT APRIL 18, 2020 5:00 P.M.

### FROM SUPERINTENDENT MARCUS CHAMBERS

This afternoon, Governor DeSantis announced that schools will remain with online instruction for the rest of the school year. That means Okaloosa County students will continue with the online learning platform that has been in place since March 30<sup>th</sup>. Families have done a remarkable job thus far, and we will have a successful completion to the school year as we continue to work together and support each other. Please contact your school if you have any questions regarding your child's online learning progress.

Also, all school feeding sites and bus stop feeding locations will be open through the last day of school, which is May 29<sup>th</sup>. Be sure to check our website [www.okaloosaschools.com](http://www.okaloosaschools.com) or follow us on Facebook or Twitter for further updates.

For our senior students, please know that I remain committed to honoring our graduating seniors and will be seeking your input in reviewing all of our options going forward.

We miss all of our students and are here to support them. Thank you and stay safe.
