

HSU Cyber Club

The newest season of HSU Cyber Club will be led by AFSOC Codemmandos to empower youth with digital skills and knowledge to enhance their personal interests and professional prospects.

Each week throughout the school year (Cyber Club will not meet on Federal Holidays), members will meet to learn, discuss, and apply new digital skills toward an ongoing project showcasing their talents.

This year’s ongoing project will involve creating the cyber club’s logo, brand, website, and social media presence while adding relevant digital content to its platform(s).

Initial Agenda topics include: Introductions & Project Overview, Logos and Branding / Website Registration

All participants must register here:
