

FORT WALTON BEACH HIGH SCHOOL 2020-2021 No Class/Off-Campus Permission Form

Student: _____ Grade: _____

Student email address: _____

Period(s) **requested** for no class: _____

By completing this form students and parents understand that FWBHS cannot guarantee that students will be assigned a no class during the period requested.

The following guidelines must be adhered to by students who leave campus during an open class.

- All students with a no class must obtain a departure badge in the Media Center. Departure badges will not be issued unless a parent/guardian signs this form below. Any student who does not have a departure badge will be placed in a supervised study hall. A \$5.00 replacement fee will be assessed for lost badges.
- **Students may not be on campus during an open period.** A student who is on school grounds during a no class will lose all no class privileges and will be placed in a supervised study hall.
- Students with no class privileges may not transport a student who does not have the same privileges.

I understand that my child is requesting a no class during the school day. I understand that Fort Walton Beach High School is not responsible for my child's safety during an off-campus open class. I support the school in enforcing all rules associated with the no class process.

Parent/Guardian's Signature (Required)

_____ **Date** _____
I understand the rules regarding my student's open period(s) and agree to follow them.
