Schedule corrections may occur for the following reasons:

- _____ **Students have no schedule at all**
- _____ **Students have no course assigned during a particular period**
- _____ **Students are scheduled for a course already successfully completed**
- _____ **Students in 11th or 12th grade who are missing a required course for graduation**

Schedule Changes will not be made that put a class out of compliance with the class size amendment.

After the 4th week of each semester students who request a schedule change will be placed in a non-credit study hall and will receive a penalty "F" for the semester in the class that is dropped.

Many of our courses require current teacher approval. Please check the curriculum guide @ <https://www.okaloosaschools.com/fwb/content/registration-2020-21#overlay-context=content/registration-2020-21> to see if the course you are requesting to drop/add requires teacher approval. If it does, you will need the teacher approval section completed. **If this is NOT completed correctly, your request for change will be denied.** If you are requesting a "No Class" you must complete a No Class/Off-Campus Permission Form and attach it to this form.
