

Dear Parents and Students,

I have GREAT NEWS for you! The yearbook is finished and is being printed as I type this email! They will arrive at the school in a few short weeks and at that time, we will communicate to you how and when to pick yours up.

Since this year is certainly one that will certainly be remembered for the current events, be sure you don't forget about all of the wonderful events and memories of Fort Walton Beach High School's entire 2019-2020 school year that the yearbook staff has worked so tirelessly to chronicle in this year's yearbook. I understand that there still are a handful of limited edition copies available and you can order yours here: <http://jostensyearbooks.com/?REF=A01198320>

Stay healthy and stay safe,

John Spolski
