

FWBHS LETTERHEAD

May 2017

Dear Incoming FWBHS Freshmen:

Hello from your 9th grade English teachers! We hope you will start next year energized: ready to read, write, talk, think, and explore. To set this tone, we are asking that each incoming freshmen read a book this summer and arrive ready to talk and write about it on Day One.

Attached are guided reading questions for you to answer as well as a copy of a reading log that you are to complete while you read. Please bring both with you on the first day of school.

We look forward to a fabulous year, and happy reading!

Sincerely,

Your 9th grade team
