

Looking for PAWSitive Volunteers to help out and be positive role models while our kids are having lunch in the Cafeteria. With the large volume of students and only 2 hard-working cafeteria ladies, we are hoping that an increase in volunteers will help these kids finish their lunches while having quiet conversation with friends and adults! If you are already an approved volunteer and would love to give just 30 minutes whenever possible please email to address below. If you have not become an approved volunteer but would love to help please go to www.okaloosaschools.com/district/volunteer and click on the green "Volunteers Apply Here" box for the volunteer affidavit. Our goal is to let the kids visit quietly with their friends while engaging in some positive adult role models while enjoying their whole lunches! Join us here at Kenwood and be a part of the village it takes...we are PAWSitively sure that YOU being present will be PAWSitively awesome!!!
