POSITIVE BEHAVIOR INTERVENTION SYSTEM (PBIS)

As part of the PBIS system at Kenwood, we’re using a token system to reward positive behaviors.

Students who are seen being **Responsible, Respectful, Safe, or a Leader** are given a **Kenny Dollar**. Kenny Dollars are exchanged on Cash in Fridays for prizes. Asking your child if they have gotten a **Kenny Dollar** and/or making a big deal about if they do, will assist us in reinforcing these 4 positive behaviors.

PBIS provides us with lots of resources. The following is very helpful when looking for strategies to help students who are struggling being responsible, respectful, safe, and/or a leader. Parents are welcome to use the same site to assist with strategies for use at home.
