NICEVILLE HIGH SCHOOL LEADERSHIP

Leadership Application – Parent/Student Contract

I understand that the Leadership program is a class that requires in-class and **outside of class commitments**. In addition, I understand that if my student does not maintain at least a C average in the Leadership class or has 10 or more absences in a semester, he or she will be removed second semester and put into a study hall (Absence due to unforeseen circumstances will be excused. For example, family weddings, funerals, emergencies, etc. Family vacation, work, or other situations are not excusable). The leadership class functions best when students are present and able to work diligently with their peers.
