

Buy a Brick and Help Create a Pathway to Our Children's Future!

Silver Sands School would like to invite you to continue a very special project, "Stephen's Celebration Garden," which was started in 2010. At that time, the round concrete area in front of the school was converted to a beautiful area with engraved brick pavers, benches, and planters for families and students to enjoy. We invite you to purchase a brick in memory of someone special; to commemorate a **special loved one**, person, or event; **graduation**, birthday, or to simply make a memorable donation to our school.

Remember, the donation is completely tax deductible!

The proceeds from our bricks will be used to purchase furniture and equipment at Silver Sands that need to be replaced due to age and general wear and tear. Specialized equipment needed for our students can be very expensive. Please support us in making this worthy project possible. The Vitralase® engraved bricks will cost us \$20.00 each if we get 50 or more orders, so we are asking \$40.00 each to raise money towards this need. This will be a year-long fundraiser so that we can have time to meet the 50 brick minimum requirement.

Thank you,
Stephanie Wheat, Principal
Silver Sands School

Please complete the lines on the reverse in the brick layout style you prefer and complete the information on this side so we may notify you when your brick has arrived.
