*\*Students must be picked up promptly. After three late pick-ups, students will be ineligible for participation in clubs and activities for the following three weeks.*

*\*Completing this form will mean you do not need a transportation note for every meeting. **On days the meeting is canceled, the student will revert to their regular transportation arrangements.***

*\*While we will work diligently to avoid cancellations, all after-school meetings are subject to cancellation when necessary. Notice of cancellation will be given by email and school announcement.*
